

Dear Friend of Music to Light the World,

If you are like us, your desire for moments of God's peace in 2017 was often led astray by moments of distraction from life's busyness, or perhaps even moments of despair from an illness or loved one's passing away. Whatever form noise and distress take, these are real for every human being on earth. Whether they realize it or not, people long for John 14:27 moments of God's peace. This need is why Music to Light the World exists, and is the purpose of *Scripture inspired piano to refresh your spirit*®.

Every week testimonials arrive from listeners around the globe through email, Facebook, YouTube, and other platforms. Each story centers around a powerful and personal "moment of God's peace." God gently nudges people from thinking "this is nice music" to wondering "why is this so peaceful?" The Lord meets each person where they are, inviting them to breathe deeply and truly rest in Him.

"I want to thank you from the bottom of my heart for the beautiful music you played for families during the St. Jude Day of Remembrance. Your music is so calming and soothing, and provided such comfort for families who came to remember their children who were no longer with them. Parents were very appreciative of your generosity in providing 130 CDs so that every family could have one. We look forward to having you back again next year."

– Lisa Clark, PhD, Quality of Life Service, Department of Oncology, St. Jude Children's Hospital

We are grateful for all God has done in 2017 (some highlights are on the back), and are very excited about 2018. This 14th year of ministry is a season of multiplying, rich with opportunity. With the Word (Jesus) as our inspiration, the Holy Spirit as our Guide, and God as our Promoter, we are passionate about playing our part in transforming lives—helping people to know Jesus more deeply, to hear His voice more clearly, and to obey Him more swiftly. This journey leads to bearing fruit for God's glory.

Will you partner with us to reach our year-end impact goal of \$60,000 to help 600,000 new people?
NEW ALBUM (April) – Compose, record, and release 11th album inspired by Bible character stories.
NEW GENEROSITY – Donate music and live events to Church Staff Teams, Celebrate Recovery, Other.
NEW GROWTH – Invest in helping the Church "be still and know" and multiplying our global impact.

Thank you very much for your friendship, prayers and support!
